A screenshot of the Thomson Reuters ProView login interface. It features the title 'THOMSON REUTERS PROVIEW' at the top. Below the title are two input fields: 'OnePass Username' and 'OnePass Password'. At the bottom of the form is an orange button labeled 'SIGN IN TO YOUR PROVIEW ACCOUNT'. Dotted lines connect the 'ENTER' and 'TAP' instructions to these respective elements.

LOAD eBooks ONTO YOUR DEVICE

Tap the eBook to download it.
You will only need to do this the first time you open the eBook.

Once the eBook has finished downloading, tap it to open it. **After downloading, you can read your eBook anywhere, regardless of whether you have an Internet connection.**

VIEW YOUR LIBRARY

Once signed in, your library of eBooks will appear.

Tap **SORT BY** to choose to view your library by title, publisher, jurisdiction, recently read, or subject.

Tap the grid (■) or list (≡) icon to organize your eBook library by list or grid.

READ eBOOKS ON YOUR TABLET

Tap each icon to view a menu of features.

To go back a page, tap the left side of the screen, or swipe the screen from left to right.

SCRUB BAR NAVIGATION

Tap and hold the scrub bar to drag it and jump quickly to different sections within the eBook you are currently viewing.

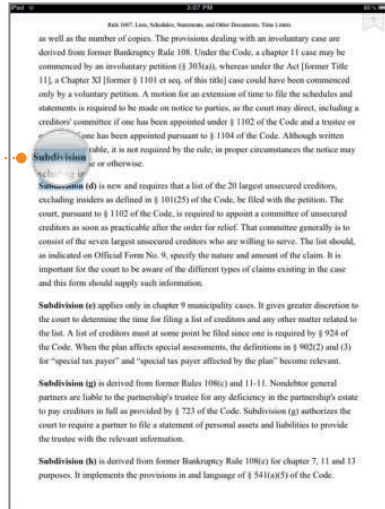

Tap the bookmark icon whenever you want to bookmark a page.

To go forward, tap the right side of the screen, or swipe the screen from right to left.

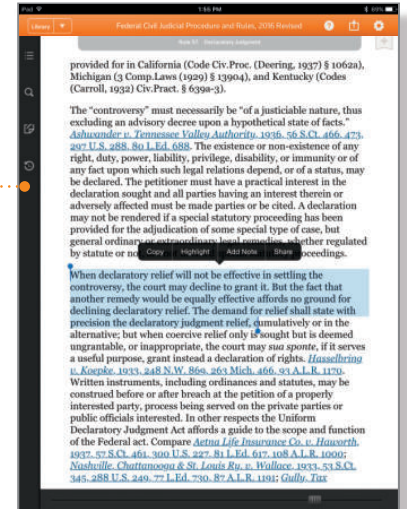

COPY, HIGHLIGHT, ADD NOTES, AND SHARE

On a tablet, tap and hold on any text, and a magnifying glass and blue-shaded bar appear.

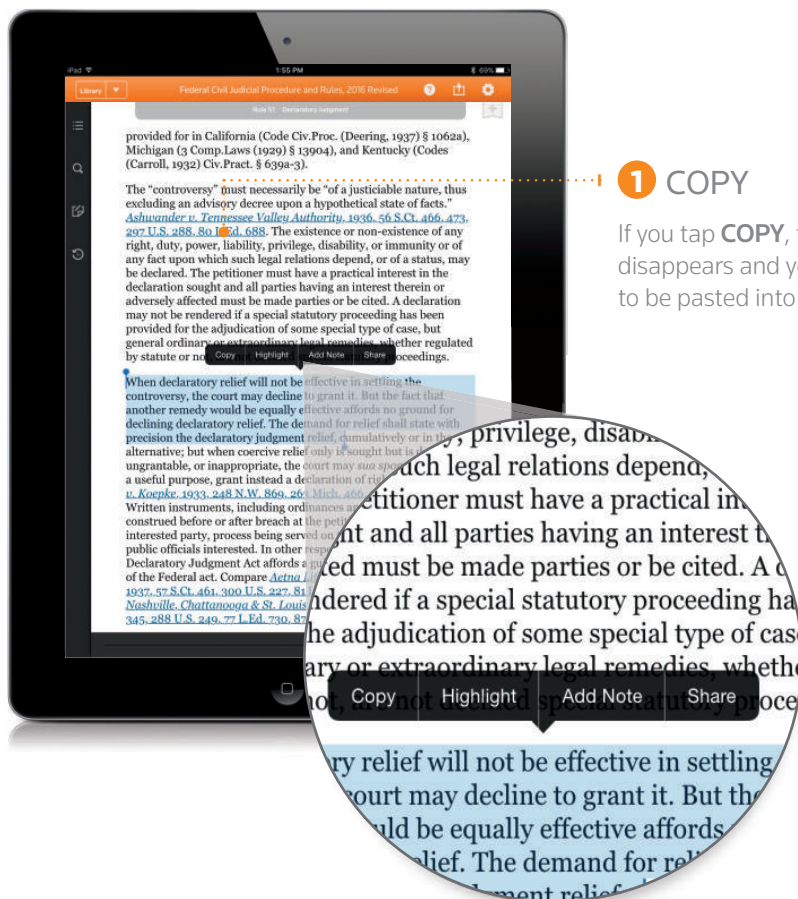

On a desktop or laptop, click and drag across text for options to appear.

On a tablet, let go and use the blue dots to expand the covered text. Once you have selected the text you need, let go.

The options to Copy, Highlight, Add Note, or Share appear.

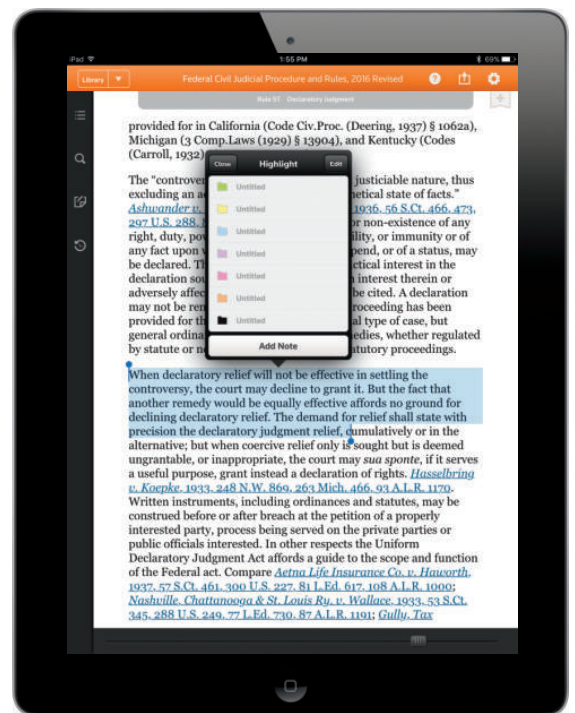

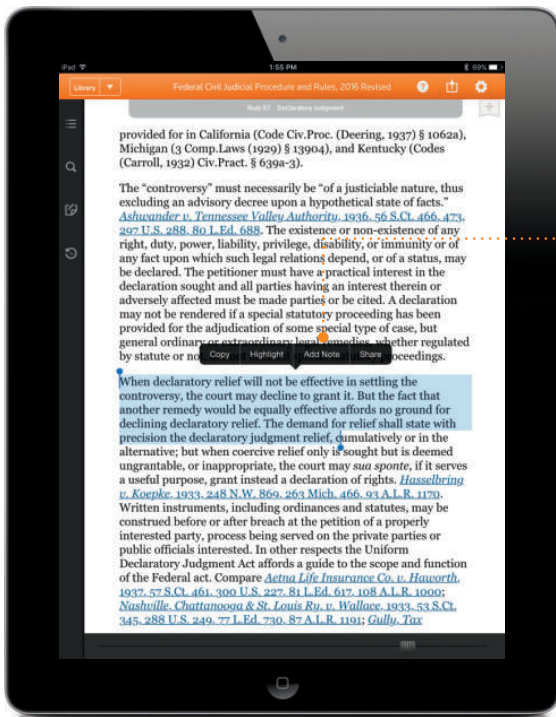

1 COPY

If you tap **COPY**, the shaded blue box disappears and your selected text is ready to be pasted into an email or document.

2 HIGHLIGHT

Tap **HIGHLIGHT** to choose a color for the selected text.

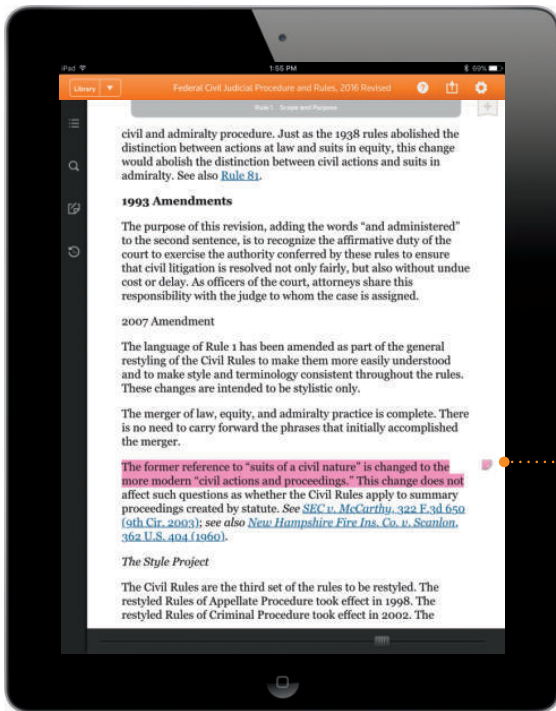

3 ADD NOTES

Tap **ADD NOTE**.

A box will appear to add a note.

Type your note and choose a color for it. To edit color labels, tap **EDIT** in the note box, tap the arrow next to a color, and enter a label name. Tap **DONE**.

The text will now be color-coded, and a small note icon will appear on the right margin.

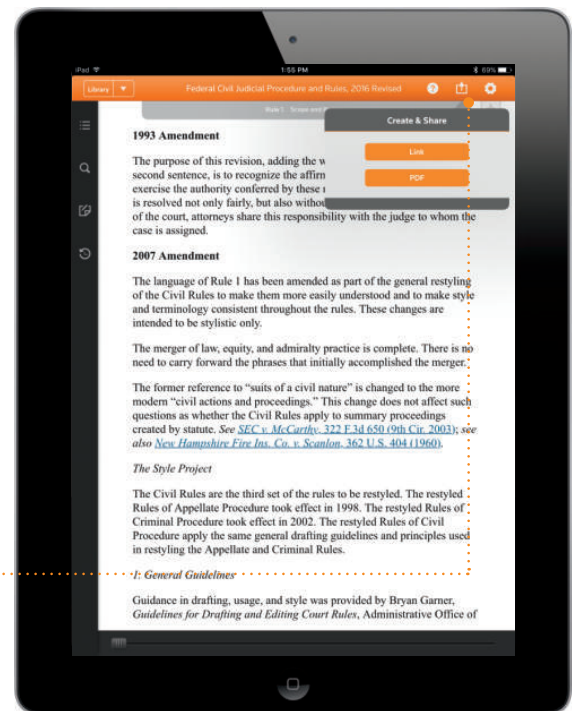

Tap the note icon to open your notes. You then have the option to edit or delete your notes.

4 SHARE

At any time, you can tap the arrow icon to create a PDF or link to selected text, current view, or the current table of contents section. Tap **NEXT** to generate the PDF or link and choose to print or email it.

REFER TO YOUR NOTES

Tap the note icon to view saved notes and highlights. The date and time of creation will appear, along with the first line of text.

Tap the color wheel to select a color to filter notes and annotations you have saved.

When subsequent editions publish, your annotations will transfer to the new edition. So you never have to worry about losing your work.

USE THE TABLE OF CONTENTS

Tap this icon to bring up the Table of Contents.

Run a search in the Table of Contents, and drill down to find the section you want to read.

VIEW RECENTLY READ eBooks

From within an eBook, click the arrow next to the Library button to view the six most recently read eBooks. Tap an image to jump to that eBook. The orange bar indicates which eBook you're currently viewing.

SEARCH WITHIN YOUR eBook

You can search within your eBook without leaving your page. Tap the search icon and type the term you're looking for into the search box (you may use Boolean Terms and Connectors).

Your results will appear highlighted within the text. Search results include the number of times your search terms appear in various chapters.

Click the arrows to jump between search results.
